Group Art Unit: 2835

Filed: September 12, 2003

Docket No.: 200312716-1

Title: Computer with Adjustable Display

---

### DECLARATION OF PRIOR INVENTION UNDER 37 C.F.R. § 1.131

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

This Declaration is submitted to establish prior invention of the subject matter of the above-identified patent application in the United States.

#### WE DECLARE AS FOLLOWS:

- I. This Declaration is made by all of the inventors of the subject matter claimed, namely Steven S. Homer, Paul J. Doczy, and Mark Solomon.
- II. The subject matter of the above-identified patent application was actually reduced to practice prior to the foreign application priority date of November 11, 2002 of U.S. Patent Application Publication No. US 2004/0090742 A1 to Son et al. (Son).
- III. Accompanying this Declaration are Exhibits 1 through 3 that provide facts to establish actual reduction to practice of the subject matter of the above-identified patent application prior to November 11, 2002.
- IV. Exhibits 1 through 3 are photographs illustrating an actual reduction to practice occurring before November 11, 2002 of an exemplary embodiment in accordance with the subject matter of the above-identified patent application.

V. From these exhibits, it can be seen that the subject matter of the above-identified patent application was actually reduced to practice and photographed prior to the date of November 11, 2002.

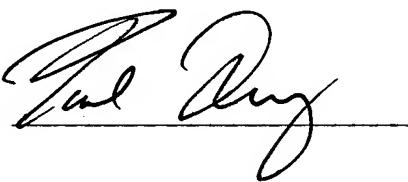

As a person signing below, I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Steven S. Homer:
